

HOW TO CERTIFY
RAW MATERIALS
 WITH NATRUE

WHAT: Ingredients for cosmetic products
WHO: Producers and suppliers
HOW: Third-party approval or certification by a NATRUE Approved Certifier.

From July 1, 2024:
 All new products must include ONLY approved/certified raw materials.

From July 1, 2025:
 All products under certificate renewal must include ONLY approved/certified raw materials.

FOLLOW THESE FIVE STEPS:

1. DEFINE THE ORIGIN

NOT from organic farming:
documentation check only
 -----> **approval**

from organic farming:
documentation check + on-site inspection
 -----> **certification**

1

2. CHOOSE **ECOGRUPPO** ITALIA

Contact us: Ecogruppero Italia is an international approved certifier, also known as **NAC**

NOTE:

NATRUE is the standard owner, the certificate will be issued by Ecogruppero Italia.

2

3. ACCEPT THE OFFER

This includes:

- **Certification costs**
- **Label fee costs**

3

Contact us to get a customized quote!

4. PASS THE AUDIT

It is made up of two parts:

- **Documentation check**
- **On-site inspection**
 (in the case of organic ingredients)

4

5. DONE!

Your ingredients will be approved/certified, and added to **NATRUE's online database**, always available for free on the NATRUE official website:

www.natrue.com

5

We offer you:

- VALIDATION**
- EFFICIENCY**
